## Please Pray for Our Church

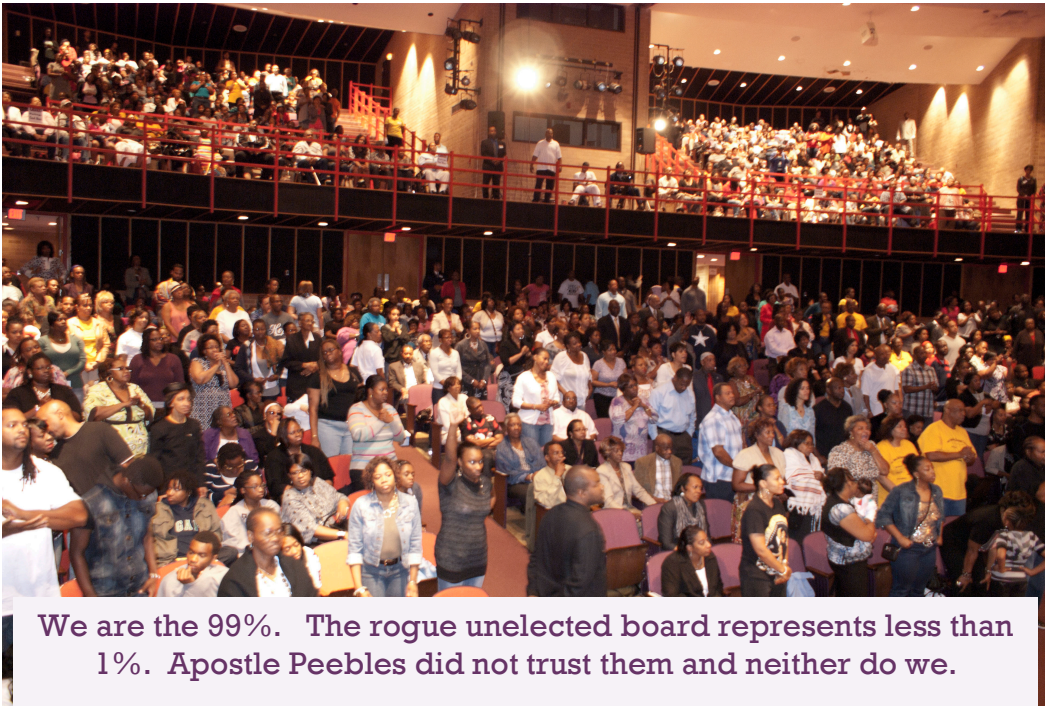

Body of Christ, We the Members of (Jericho) The City of Praise Church in Landover, Maryland ask that you join us in corporate prayer. For over 2 years, our church has been under attack by outside forces who really want our property.

We believe that God's church is not property. God's church is the people. In short, six employees have taken control over the church by falsely claiming to be the rightly elected board. The Court of Special Appeals has rejected their claim. We believe that they are working with Mike Freeman to take our property.

**Mike Freeman if you have no designs on our property, PLEASE be honorable and SAY SO! Do not operate in the Shadows. Operate in the light**

The deception goes back to the days when Apostle lay dying of cancer and her will was changed. PLEASE take 5 minutes out of your day to get THE TRUTH about.

- How Apostle Peebles was kidnapped
- How Apostle Peebles' will was changed
- Who is REALLY behind this Hostile Take Over Of Our Church

Thousands continue to worship with Pastor Joel Peebles at Eleanor Roosevelt High School.

PLEASE PRAY FOR OUR CHURCH!

We are the 99%. The rogue unelected board represents less than 1%. Apostle Peebles did not trust them and neither do we.
